

High Holy Day Cards for Our Troops

Rodeph Sholom is once again sponsoring its Annual High Holy Day Card Drive for Jewish Troops serving in Iraq and Afghanistan. Please help us reach even more of our soldiers than we have before.

Responses we have received in the past make it clear that the troops are heartened by the fact that we are thinking of them.

- Cards may be store bought or computer generated.
- Any number of cards will be welcomed; a minimum of 10 is suggested.
- Each card should be signed and Congregation Rodeph Sholom should be identified
- If you want a response from the serviceperson to whom your card is sent, your personal contact information should be noted.
- Please do not place an address on the envelope.
- Please do not seal the envelopes
- A personal note may be included, such as:

May the New Year bring you health, happiness and safety as you serve our nation. Most importantly, may the New Year bring you and all of your colleagues peace.
