

Attention!

Help Us Keep In Touch

Did you know that the Temple College Committee sends "care" packages to our students while they are away at school? Not only will the Clergy write to them, but they will send a "back-to-school" package, and packages for Chanukah, Purim, and Passover !

There is no charge. However, in order to reach as many of our college students as possible, we must have a complete and accurate listing. If students are interested, we can also help them get in touch with Jewish organizations on their campus or with local synagogues.

Our mailing list is updated each year. If you want to be added (or wish to remain on the list), please out this form and submit your current information.
